

## Contact Details – COVID-19

As per the NHS Track & Trace instruction, please can we ask that you complete the attached form with all of your group participants' contact details.

Failure to provide a fully completed form, prior to commencement of your match, will result in the match being cancelled

We will follow Data Protection guidelines at all times, by keeping all details safe & secure and will only share them within Track & Trace guidelines if required. These details will be held for 21 days as per the guidance and then destroyed.
